

School Council Meetings

Date: 31.1.23

Agenda:

-How to keep the environment safe around school and protect the planet.

Things we discussed:

How to look after the planet Earth and the areas around school.

How to use less energy at Deansbrook.

Recycling and reusing at Deansbrook.

Actions we need to take:

- (Zeinb) tell them to put paper in the paper bin kindly in class.
- Do not put paper in the grey bin (Sihaan)
- After finishing milk put the carton in the green bin.
- Put a note on the bin to say put paper in here (Stella)
- Scrap paper box in class (Dillon)
- Spare lid boxes to reuse for art (Razvan)
- Ask teachers to put the lights on eco mode to save energy. (All)
- We can also walk to school or where we are going when we can (Arun)
- Talk to our adults and parent about how to keep the school clean. (Sihaan)
- Pick up the litter around school. (Kaien)
- Keep the classroom clean by putting paper in the green bin. (Stella)

- We can only put paper, card and no food in the green bin. (Razvan)
- Tell your family and friend's to recycle (Eva)
- Reuse things to make things out of it (Sihaan)
- Wildlife around school can get hurt (Yasir)
