

# School Council Meetings

Date: 1.2.24

## Agenda:

-Internet safety - how to stay safe on the internet.

## Things we discussed:

- Mahad: The internet can be dangerous because people can hack you.
- Raisa and Sophia: Never give out your name or address.
- Boris: They might trick you, they might sound like someone else.
- Skylar: you keep your username and password safe.
- River: People like to play roblox and fortnite.
- Lorenzo: End the game if someone says something you do not like.

## Action you need to take:

- We need to tell our class, when you are on roblox or fortnite you never give your details.
- You can speak to an adult if something worries you.
- You can shut the game, you can block the person.
- You need to keep your username or password safe.
- You need make sure your gaming ID is not your name.
